### 2) Click to pay link

Added functionality so now easier to see who has paid when reconciling stripe account. Customer name now visible in Stripe.

AMOUNT	DESCRIPTION	CUSTOMER	DATE
€60.00	Succeeded ✓ [id_...]	Amg Ignan	6 Sep, 15:26 ...
€65.00	Succeeded ✓ [id_...]	Bea-Martin	6 Sep, 15:21 ...

### 3) Added new functionality for deactivating\activating patients

Deactivated patients do not now show in searches. You need to select more options in the Search and enable Include Active. To reactivate patient change status to active.

The screenshot displays a patient search interface. On the left is a search filter panel with the following fields: 'david armstrong' (text input), 'Date of birth' (calendar icon), 'Phone' (text input), 'Email' (text input), 'Medical Card' (text input), 'Eircode' (text input), and 'Include Inactive:' (checkbox, checked). Below these fields are three buttons: 'LESS OPTIONS' (green), 'SEARCH' (dark grey), and 'CLEAR' (light blue). To the right are two patient cards. The first card has a teal header 'CLICK TO ACTIVATE', a grey profile picture placeholder, the name 'David Armstrong', and the number '00353872809769'. The second card has a grey profile picture placeholder, the name 'David Armstrong', and the number '00353864568356'. Both cards have a bottom navigation bar with icons for 'Appts', 'Notes', 'Info', 'Edit', and 'Invoice'.

### 4) Added patient consent for notifications

A tick box has been added to the patient record for notifications consent. If enabled patient consents to notifications. If patient books through chatbot this will be enabled automatically.

The screenshot shows a patient record form with the following fields: 'Date of death' (calendar icon), 'Status' (dropdown menu showing 'Active'), and 'Send Notifications:' (checkbox, checked).
